No Veteran should ever be homeless.

VA has made an unprecedented commitment to ending Veteran homelessness. While the number of Veterans who are homeless has been declining, even one Veteran without a home is too many. VA has a variety of targeted programs to help Veterans secure safe, stable housing and maintain healthy lives.

You can help.

If you or a Veteran you know is homeless or at imminent risk of becoming homeless, or in crisis, Make the Call to **877-4AID-VET (877-424-3838)** or chat online at va.gov/homeless.

When you encounter people who may be homeless, ask the question **"Have you served in the U.S. military?"** and spread the word that VA has the resources to help Veterans get back on their feet.

Trained, supportive professionals, many of them Veterans themselves, are available 24 hours a day, seven days a week, through the hotline and online chat.
